

## Business of the Week

# Dr. Zola Makrauer, DMD

Dr. Zola Makrauer has over 25 years of experience with his respected, family dentistry practice.

Dr. Makrauer is affiliated with six professional dental societies and associations, where he has achieved a fellowship in the prestigious Academy of General Dentistry, of which only 13,000 dentists in North America have received the recognition. He also is a fellow in the International Team of Implantology.

Such extensive training has allowed Dr. Makrauer to continue his above-average practice, taking pride in treating generations of families, which are seeking more self confidence by improving their smiles and appearances.

Each patient is treated with the utmost attention to his or her unique needs, and are encouraged to discuss concerns and move through treatment process at his or her own pace.

Dr. Makrauer's practice specialty is providing comprehensive dental care with lifetime

results, including periodontal and root canal therapies, Invisalign and other orthodontics, cosmetic crowns and porcelain veneers.

Dr. Makrauer assures the safety and comfort of patients by utilizing only the best laboratories and materials, and never outsourcing to unknown, overseas laboratories.

Currently, Dr. Makrauer is offering a new patient examination and full-mouth radiographs for \$57.

Dr. Makrauer suggests calling 888-310-1911 for a free report on the "10 fundamental questions you must ask before choosing a dentist," and a second report on "advances in cosmetic dentistry."
